

✓ Alvernon & Hayne Bus Stop – NE Corner (SunTran # 10973)

ADA accessibility Score: 1

Ridership: boardings = 8, total = 20

Issue(s): Stop is not connected to intersection or pedestrian path.

Note: Community (Public) ADA requested improvements

Solution(s): Build shelter pad 22' width x 10' depth and sidewalk connecting to existing sidewalk next to Double Tree Hotel parking lot - through landscaping (between Eucalyptus tree & Palm).

Landscaping changes March 2010,
preparation for bus stop changes.

July 7, 2010

Bus stop completed and connected to sidewalk behind stop adjacent to Double Tree Hotel parking lot
